1. The Well Workplace process was a valuable framework for creating and executing our comprehensive employee wellness program.
2. Well City Racine networking and mentoring meetings provided valuable information and support towards achieving the Well Workplace award.
3. Being part of Well City Racine added motivation and accountability towards creating and executing our employee wellness program.
4. We were proud to be a part of the Well City USA achievement for Racine.
5. Re-engaging in Well City Racine Phase 2 and the Well Workplace Award process would be helpful in sustaining our employee wellness program.
6. I would encourage our leadership to re-engage in Well City Racine.
7. We intend to fulfill our commitment to mentor other employers through the Well Workplace process.
8. I (my organization) understands that a Well Workplace Award is only valid for 3 years and we will need to reapply to maintain the designation.
